### **Ficano: Agreement a Win for Taxpayers**

After extensive negotiations dating back to 2008, AFSCME and Wayne County have reached a tentative agreement on a new collective bargaining agreement. Parties have worked together to arrive at a compromise that both acknowledges the needs of the employees, and assists the County in meeting its financial needs during these difficult economic times.

“This agreement embodies my overall commitment in shared sacrifice. The tentative agreement is consistent with the concessions I and my staff have taken over the past two years. It is a win-win for all of us, but most importantly the taxpayers of Wayne County”.
